Summary

Dedicated **Pharm.D. candidate** with clinical clerkship expertise in **pharmacovigilance** and patient safety. Proven record in **ADR documentation** and epidemiological data analysis for clinical research. Seeking to leverage specialized regulatory and pharmacotherapy knowledge as a **Clinical Research Associate**.
• Recipient of 2nd Place at international conference for **AI/Antimicrobial Resistance research**.

Skills

GCP (ICH E6), Indian CT Regulatory Framework, Protocol Understanding, Informed Consent, Data Integrity, ICSR Handling, ADR Reporting & Documentation, Safety Signal Detection Concepts, Prescription Audit, Drug Interaction Assessment, Clinical Data Entry, Biostatistics Basics, EHR Familiarity, MS Office, Public Health & Epidemiology, Rational Drug Therapy, Medication Reconciliation, TDM

Experience

Government Erode Medical College and Hospital
Clinical Clerkship (5th Year, Pharm D)

- Undergoing hospital-based clinical clerkship across medical and surgical specialties, applying pharmacotherapy knowledge in real-world patient care.

Pill Advise (CliMed Research Solutions) | Remote
Healthcare Content Intern | *Apr 2026 - Jun 2026*

- Developed evidence-based medical content through literature review and fact-checking, translating clinical information for healthcare professionals and the public.

Erode Medical Centre (Monika Diabetes Clinic)
Clinical & Public Health Intern | *May 2025 - Jun 2025*

- **Optimized** insulin management protocols for chronic disease clinics, improving patient adherence by 15%.
- **Analyzed** clinical datasets of 200+ patient records (HbA1c trends) to support real-world outcome assessments.
- Applied epidemiological methods to identify adherence patterns and risk clustering across patient cohorts.

Lotus Multispecialty Hospital
Clinical Pharmacist Trainee | *Aug 2023 - Sep 2023*

- **Audited** over 500+ prescriptions for dosage accuracy and STG compliance, successfully reducing medication error risk by 12%.
- **Screened** for drug interactions and documented 50+ ADRs per institutional pharmacovigilance protocols.
- Counselled patients and caregivers on medication use and adherence strategies.

Education

The Tamil Nadu Dr. M.G.R. Medical University *Jan 2021 - Jan 2027*
Doctor of Pharmacy (Pharm.D.), GPA: 3.8/4.0

Achievements

- Co-authored: “Comparative Evaluation of Topical Pentoxifylline Cream and Zinc Oxide Nanoparticle-Loaded Pentoxifylline Cream” — IJIRT, Vol. 13, Issue 2, Jul 2026
- Second Place, Oral E-Poster Presentation — 2nd ECPCON International Conference (PharmaNext Global 2025), for AI/Antimicrobial Resistance research
- Presented case report on Invasive Fungal Sinusitis Presenting as DKA — Ramachandra College of Pharmacy

Certifications

Current Regulatory Requirements for Conducting Clinical Trials in India
NPTEL, IIT Madras

Good Clinical Practice (GCP) Training, ICH E6
NIDA Clinical Trials Network, NIH USA

Pharmacovigilance Certification
